

Our Ref: INS/TEC/6/45

5 July 2022

To : Chief Executives / Responsible Officers of all insurance institutions (“IIs”)<sup>1</sup>

Dear Sirs,

### **Statements issued by the Financial Action Task Force (“FATF”)**

Further to our letter of 16 March 2022, we are writing to inform you of the following developments:

(1) High-Risk Jurisdictions subject to a Call for Action

Since February 2020, in light of the COVID-19 pandemic, the FATF has paused the review process for countries in the list of high-risk jurisdictions subject to a call for action, given that they are already subject to the FATF’s call for countermeasures. Therefore, the FATF issued a statement on 17 June 2022<sup>2</sup> advising its members to refer to the list of high-risk jurisdictions subject to a call for action adopted in February 2020, namely Iran and the Democratic People’s Republic of Korea. While the aforesaid February 2020 statement may not necessarily reflect the most recent status of Iran and the Democratic People’s Republic of Korea’s AML/CFT regimes, the FATF’s call for action on these high-risk jurisdictions remains in effect<sup>3</sup>. The statement identifying high-risk jurisdictions subject to a call for action in February 2020 can be found on the website of the FATF (<https://www.fatf-gafi.org/publications/high-risk-and-other-monitored-jurisdictions/documents/call-for-action-february-2020.html>).

<sup>1</sup> Definition of IIs should be construed in conjunction with the Guideline on Anti-Money Laundering and Counter-Terrorist Financing (“GL3”), i.e. authorized insurers and reinsurers carrying on long term business, and licensed individual insurance agents, licensed insurance agencies and licensed insurance broker companies carrying on regulated activities in respect of long term business.

<sup>2</sup> The statement can be found on the website of the FATF (<https://www.fatf-gafi.org/publications/high-risk-and-other-monitored-jurisdictions/documents/call-for-action-june-2022.html>).

<sup>3</sup> Please refer to our circular issued on 18 March 2020. (2) Jurisdictions under Increased Monitoring

In addition, the FATF issued an updated statement on Jurisdictions under Increased Monitoring which can be found on the website of the FATF (<https://www.fatf-gafi.org/publications/high-risk-and-other-monitored-jurisdictions/documents/increased-monitoring-june-2022.html>).

The statement sets out the list of jurisdictions that have committed to resolve swiftly strategic deficiencies in their regimes to counter money laundering, terrorist financing, and proliferation financing within agreed timeframes and are subject to increased monitoring. The FATF will closely monitor the progress made by these jurisdictions in addressing the identified strategic deficiencies and encourages its members to take into account the information presented in the statement in their risk analysis.

As the FATF will continue to assess the progress made by these jurisdictions in addressing the deficiencies in their AML/CFT systems and issue updated statements from time to time, IIs are reminded to browse the website of the FATF for the latest information.

(3) Other Outcomes from the FATF Plenary, 14 – 17 June 2022

In addition to the statements in (1) and (2) above, the FATF also published various other outcomes of its recent Plenary which may be of interest to IIs. They include, for example, finalization of a targeted update on implementation of the FATF requirements to prevent the misuse of virtual assets and virtual asset service providers (“VASP”) for money laundering, and the financing of terrorism and proliferation. Further information on the FATF Plenary’s outcomes can be found on the website of the FATF (<https://www.fatf-gafi.org/publications/fatfgeneral/documents/outcomes-fatf-plenary-june-2022.html>).
