To: Chief Executives of authorized insurers carrying on long term insurance business

Dear Sirs,

**Circular providing Interpretation Notes relating to
the Guideline on Benefit Illustrations for Long Term Insurance Policies**

Further to my circular of 13 September 2019, I enclose a copy of the Interpretation Notes relating to the Guideline on Benefit Illustrations for Long Term Insurance Policies (GL28) issued today, which can be downloaded from the website of the Insurance Authority (“IA”).

The IA issues these Interpretation Notes with the aim of providing further guidance to authorized insurers in respect of the Guideline on Benefit Illustrations for Long Term Insurance Policies after consultation with the key stakeholders. The Interpretation Notes are prepared in the form of Frequently Asked Questions to help illustrate the relevant requirements. They are not intended to be exhaustive and will be kept under review and updated when necessary.

Should you have any questions, please contact your case officers.

Yours faithfully,
