Chief Executives of authorized insurers writing direct medical business

Dear Sirs,

**Insurance Companies Ordinance (Cap. 41)**  
**Statistics on Direct Medical Business**

We have requested authorized insurers to report their statistics on direct medical business from time to time on an ad-hoc basis. For monitoring purpose and to enhance market transparency, we would like to formalize the submission of these statistics on a regular basis. A template for this purpose has been developed in consultation with the Medical Insurance Association (“MIA”) of the Hong Kong Federation of Insurers of which a copy is attached. Please use the attached template to report your statistics on direct medical business for the year ended 31 December 2014 on or before 31 March 2015.

Starting from 2015, we would like to collect the statistics for direct medical business on a quarterly basis using similar template. We are in discussion with MIA on fine-tuning the template and will communicate with you again when it is finalized.

Should you have any enquiries, please contact Jeff Cheung at 2867 4527 or the case officer you have been dealing with.

Yours faithfully,

(Ros K T Lam)  
for Commissioner of Insurance  
(Insurance Authority)
