Chief Executives of authorized insurers writing direct medical business

Dear Sirs,

Insurance Companies Ordinance (Cap. 41)
Statistics on Direct Medical Business

Further to my letter of 17 February 2015 regarding the reporting of statistics on direct medical business, we attach two separate templates for collection of direct medical business statistics in respect of “Refundable Plans” and “Class D business (excluding Refundable Plans)”. “Refundable Plans” refer to those insurance products with medical benefit and a feature of “refund of premiums”. These templates are developed after consultation with the Medical Insurance Association of the Hong Kong Federation of Insurers. For reporting purposes, please use the attached templates to report your statistics in respect of “Refundable Plans” and “Class D business (excluding Refundable Plan)” for the year ended 31 December 2014 on or before 31 July 2015.

For the template on “Refundable Plans”, please indicate whether the data reported therein have already been included in the template on “Base Plans”, “Riders” or “General Business” as attached to my circular letter of 17 February 2015.

Should you have any enquiries, please contact Jeff Cheung at 2867 4527 or the case officer you have been dealing with.

Yours faithfully,

(David W. H. Liu)
for Commissioner of Insurance
(Insurance Authority)

Encls.
