

“Fast Track”

What “Fast Track” is about?

A ***dedicated*** queue for new authorization applications

Applicants owning and operating ***solely digital*** distribution channels

Who can apply?

Innovative and robust business model
using digital distribution

Benefits to the consumers in product
development, delivery, customer
service and cost efficiency

Any other requirements?

Solvency, capital, local asset requirements
and **policyholder protection** measures to
stay

For **long term** business, **at least one**
shareholder controller should be an insurer

“Fast Track” an ongoing thing?

A ***pilot scheme*** only

“e-onboarding”

What about “e-onboarding”?

IA to embark on a
comprehensive review soon

Stay tuned...
